### **About the Training:**

**Rapid Re-housing** is a crisis response tool that aims to get people who are experiencing homelessness off the streets and immediately into housing.

The training will focus on:

- Rapid re-housing best practices, community examples, and an overview of the model
- Service strategies, including housing location, landlord engagement and home-based case management
- Factors essential for effective program design and implementation, including data collection and outcomes

*If you require an ADA-related accommodation, please email [carmen.lewis@hscnfl.org](mailto:carmen.lewis@hscnfl.org) at least 10 days prior to the event so that arrangements can be made.*
