REPORT FRAUD, WASTE OR ABUSE

As the lead agency for the Continuum of Care, HSN takes issues related to fraud, waste and abuse very seriously.

Specifically, if you are:

- A participant or resident in a program operated by HSN or one of its subcontractor agencies
- An employee of HSN or one of its subcontractor agencies or
- A landlord or other vendor receiving payments from HSN or one of its subcontractor agencies

AND

You are personally aware that HSN, its subcontractor agencies or their staff:

- Violated the law in a way that puts someone's health, safety, or welfare in danger
- Seriously mismanaged resources
- Seriously wasted or misused funds or
- Neglected important responsibilities

REPORT IT!

Send an email explaining the situation to ReportWasteFraud@hsncfl.org

In most cases, you will be able to keep your identity confidential throughout the investigation. The law also protects you from retaliation for reporting by HSN or its subcontractor agencies
